

# HEALEY ALS Platform Trial

Weekly Q&A – Dec 2, 2021

## Healey Center

Sean M. Healey & AMG Center  
for ALS at Mass General

The AMG Foundation

# Guest Speaker

**Neil Thakur, PhD**  
Chief Mission Officer  
The ALS Association

---

# A **rapid** and fundamental transformation in the ALS experience, until we find cure

## **Longer Lives**

- Life-extending treatments made accessible to ALL people with ALS
- Prevention of harms associated with ALS

## **Improved Quality of Life**

- People with ALS empowered to live their lives as they want
- Greater engagement and autonomy
- Reduced or prevented physical, emotional and financial burdens

## **Preventing Loved Ones from Getting ALS**

- Genetic screening to identify those at risk
- Prevention of new cases of ALS

---

# How we get there

## **Find New Treatments & Cures**

- More clinical trials and participation with research
- More focused research

## **Optimize Current Treatments & Care**

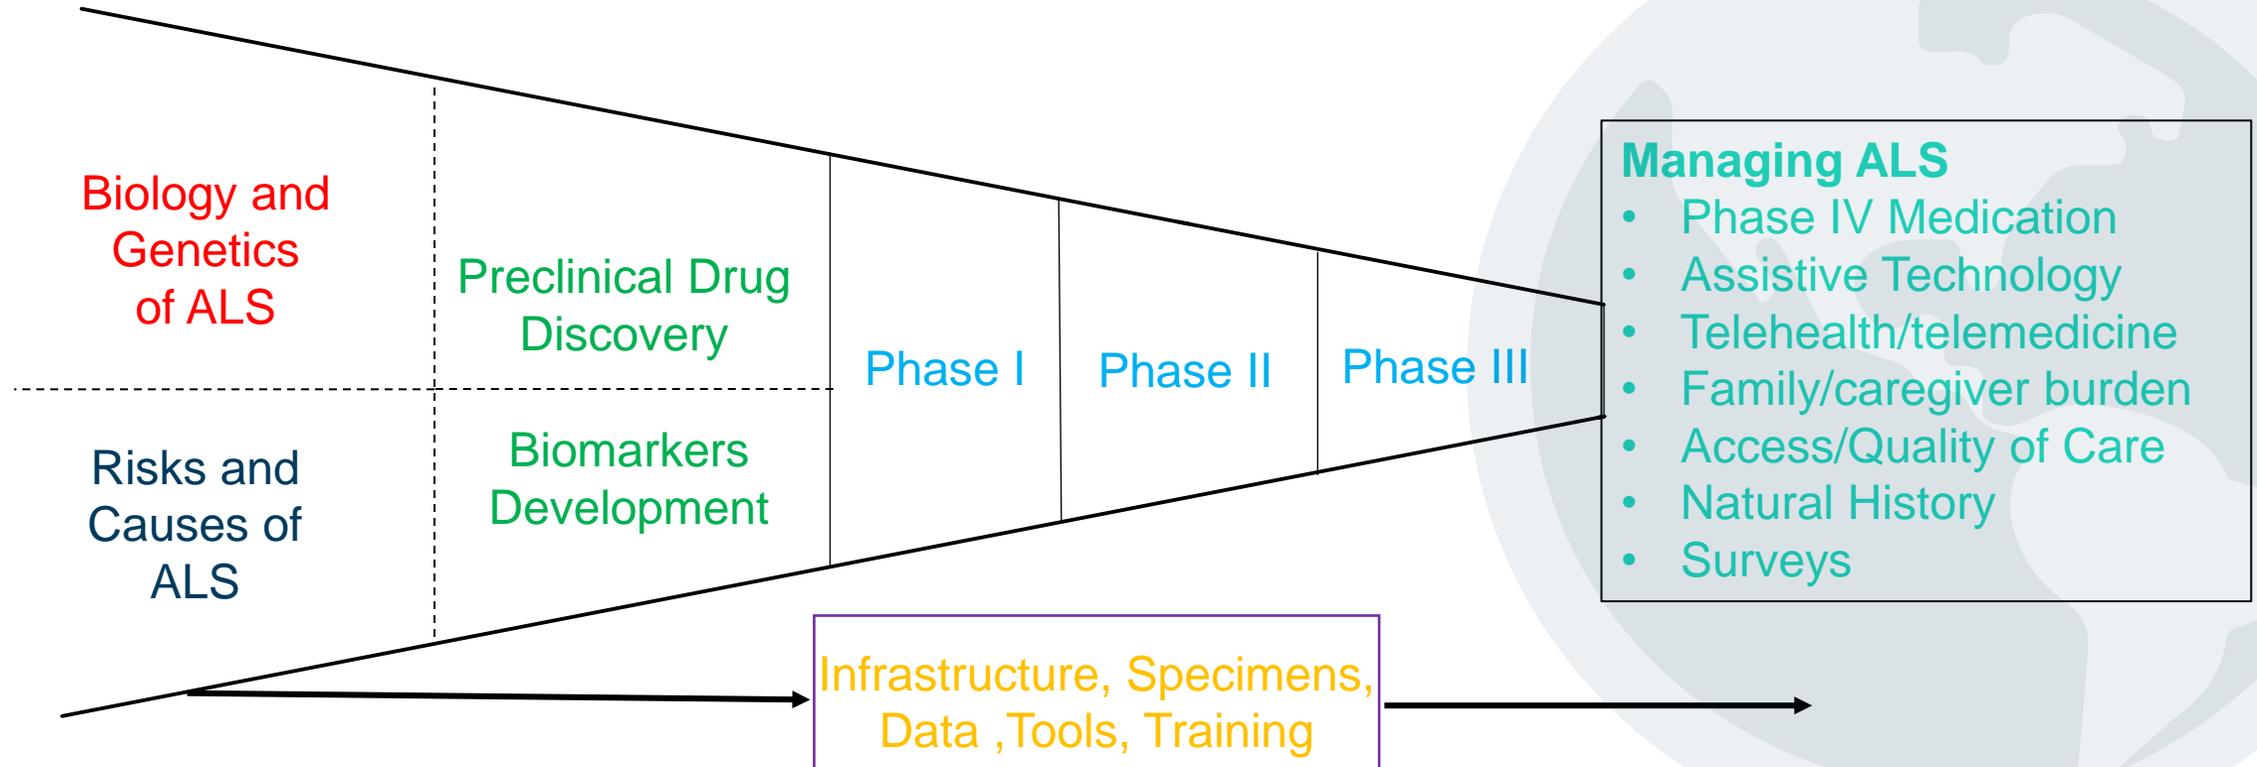

- Improve and deliver state of the art care
- Improve assistive technology

## **Prevent or Delay Harms Associated with ALS**

- Identify risk factors
- Treat as early as possible
- Discover new preventative treatments

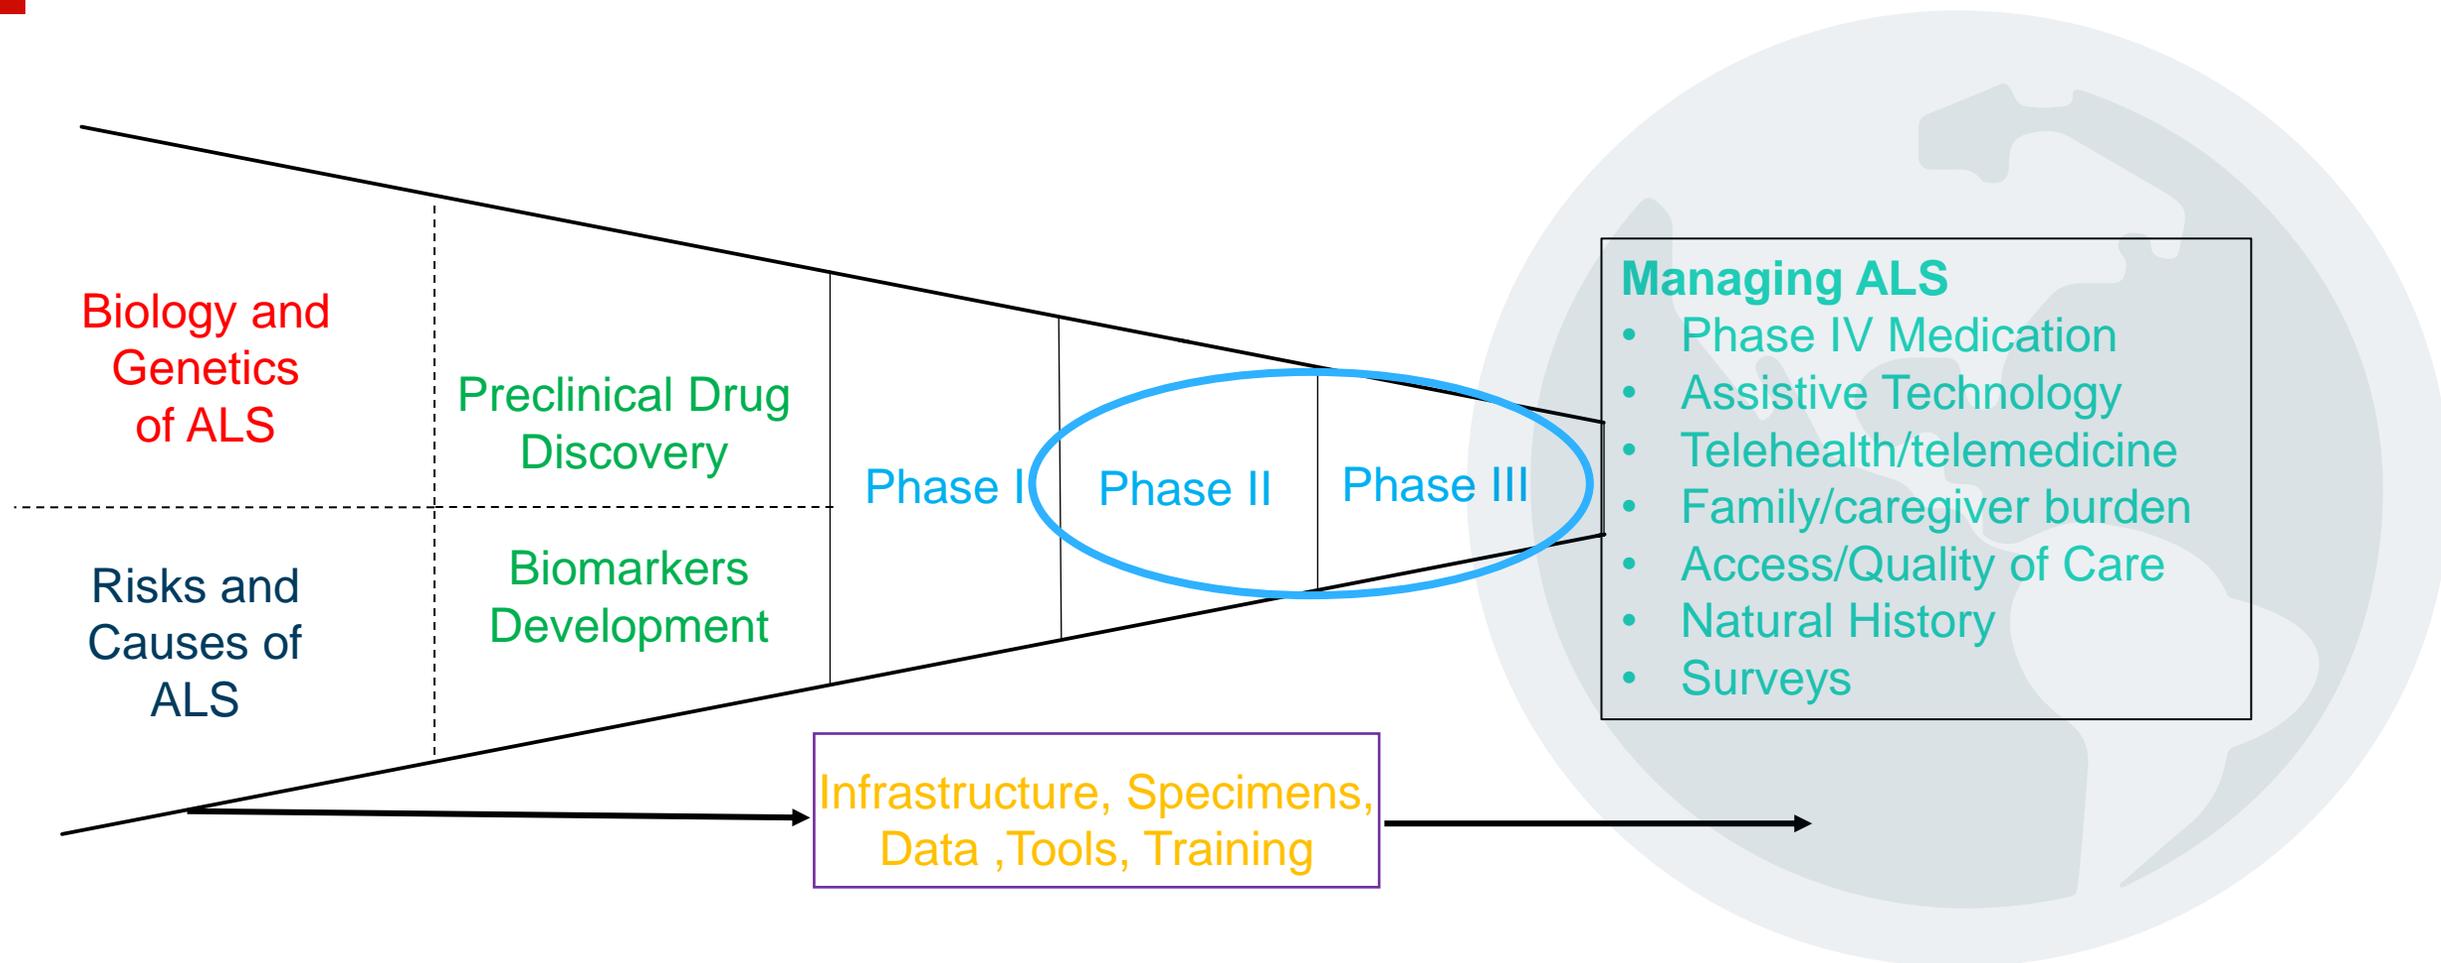

# The ALS Association's Research Program Currently Funds Widely Across the ALS Ecosystem

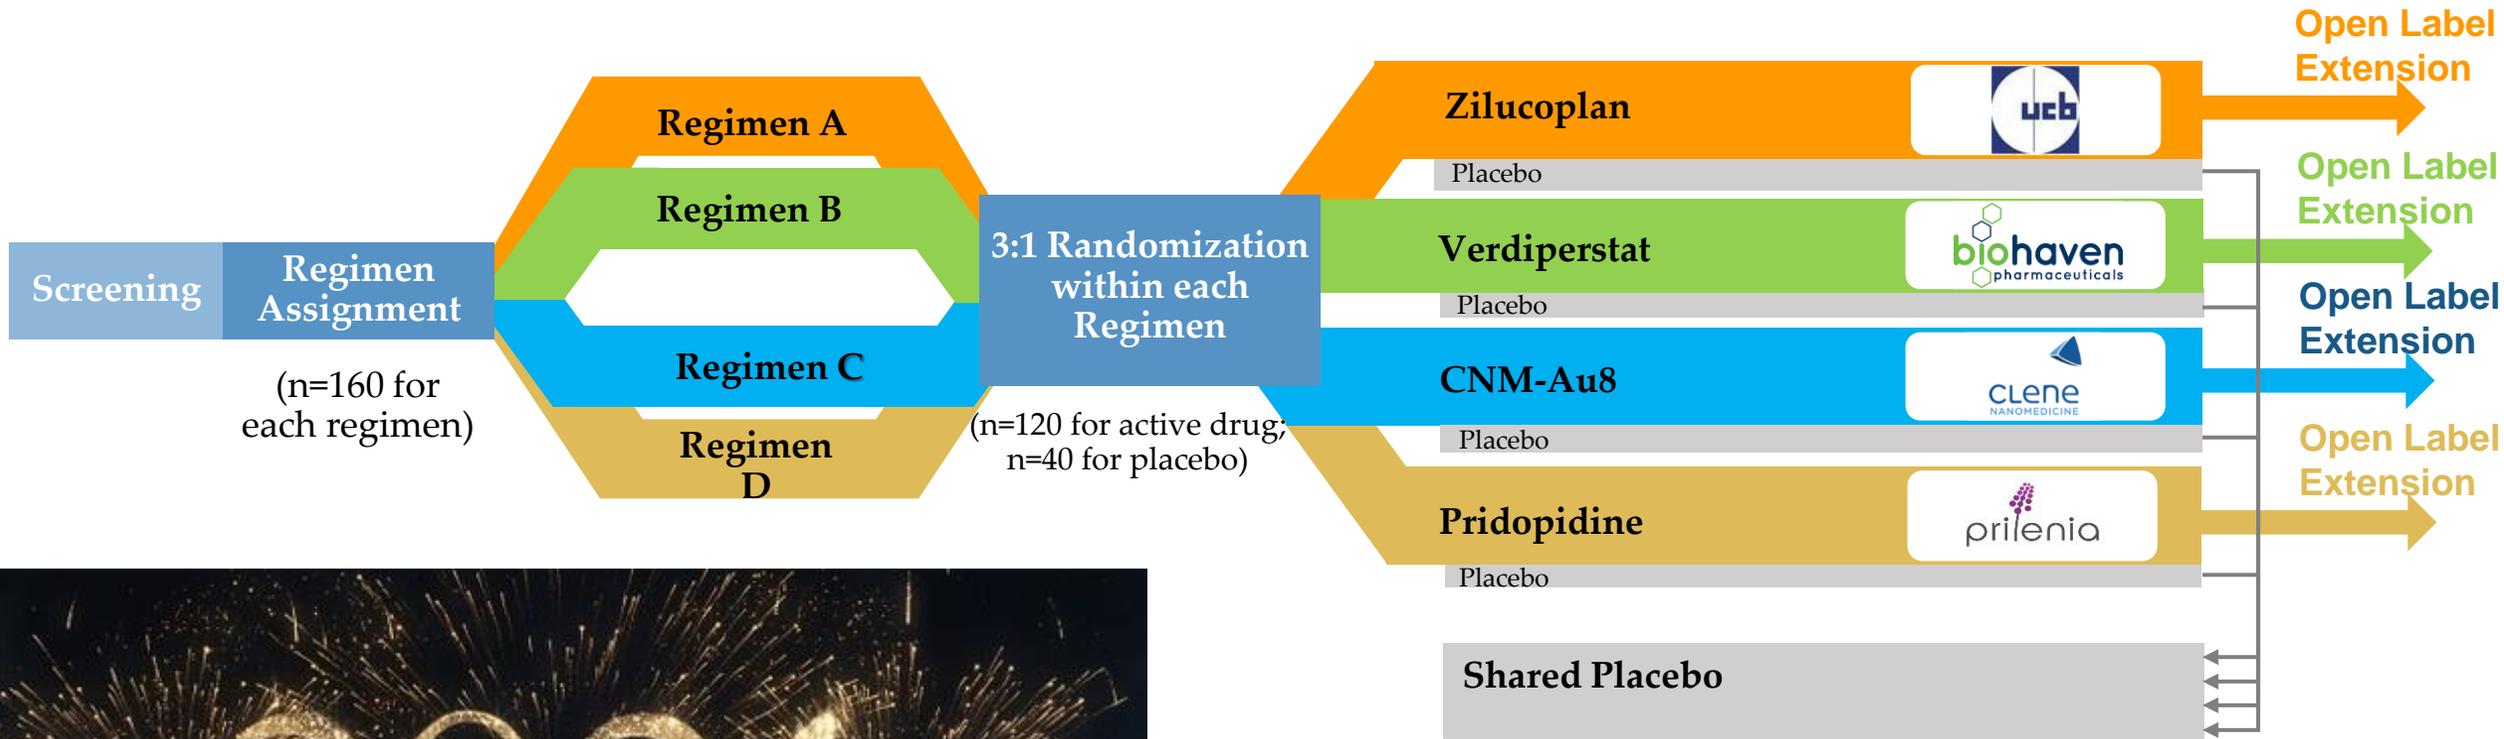

~150 Active Projects, 12 countries around the world, \$50M research commitment

# The Healey ALS Platform trial makes part of the pipeline faster

# The HEALEY ALS Platform Trial is a Perpetual Adaptive Trial

# Regimens A, B and C completed enrollment!

- ✓ **162** individuals were randomized within Regimen A
- ✓ **167** individuals were randomized within Regimen B
- ✓ **161** individuals were randomized within Regimen C

**156** individuals were randomized within Regimen D
