“Our Surgical Philosophies are Embedded in our Surgical Trials: Cartiva, Noninferiority, and the Meaning of Success”

Thursday, January 20, 2022
6:45am - 7:45am EST

Massachusetts General Hospital via Zoom
Gregory P. Guyton, MD is the Chief of the Foot and Ankle Division and Fellowship Director at Union Memorial Hospital in Baltimore, MD. He received his B.S. in Physics from Vanderbilt University in 1989 and his M.D. from the Harvard Medical School / MIT Health Sciences and Technology Division in 1993. In 1992 he served as a diving physiology field researcher with the U.S. Antarctic Research Program at McMurdo Station in association with the Massachusetts General Hospital. He completed residency at the University of Iowa Hospitals and Clinics from 1993 – 1998 and studied foot and ankle surgery with Dr. Charles Saltzman at that time, followed by a foot and ankle fellowship with Dr. Roger Mann in Oakland, CA in 1999.

Dr. Guyton is a Director of the American Board of Orthopaedic Surgery and is the current Vice-Chairman of the Written Exam Committee. He is the Deputy Editor for Foot and Ankle for Clinical Orthopaedics and Related Research and is the current Subsection Editor of “What’s New in Foot and Ankle Surgery” for the Journal of Bone and Joint Surgery. He formerly served on the Board of the American Orthopaedic Foot and Ankle Society and is a member of the Association of Bone and Joint Surgeons, the North American Foot and Ankle Association, the Foot Club, and AAOS. His research interests include neuromuscular disorders of the foot and ankle, minimally invasive techniques, and outcomes research in surgery. He resides in Phoenix, Maryland with his family and remains an active pilot, actor, and backpacker.
