

## Pathology Service

---

***"Keen Minds to Explore the Dark Continents of Disease: A History of the Pathology Services at the Massachusetts General Hospital"***

Co-authored by Mass General pathologists David Louis, MD, Chief of Pathology and Robert Young, MD.

The rich history of pathology at the Massachusetts General Hospital goes back to soon after the founding of the hospital in 1811 and continues to the present day. This book offers a detailed account of the history of the Mass General Pathology department, a unique view of the history of the MGH, and a general history of the field of pathology.
